OTD2011

The OTD2011 STAVANGER show attracts an audience of engineers, technical specialists, industry leaders and experts in order to share ideas and innovations from the Norwegian Continental Shelf.

In 2011 the Offshore Technology Days is held for the 11th consecutive year. OTD has been the largest annual Norwegian oil show for the last four years, only surpassed by the biannual ONS. With a maximum capacity of 300 stands the exhibition is completely sold out, with long waiting lists.

OTD2011 STAVANGER is a multi-faced event for continuous learning, showcasing and innovation of solutions and tools required to compete in an accelerating technology race within an increasingly complex business.

Networking events:

OTD OPENING CEREMONY: 18 October 20:00 - 22:00

OTD NIGHT SESSION: 19 October 23:00 - 02:30

OTD CLOSING CONCERT: 20 October 19:00 - 02:30

Place: Hall Toll, Skansengaten 2, 4006 Stavanger Centrum
